

IOI 2021 CodeCombat Competition

Put your coding knowledge to the test in one of the most exciting coding games!

The **IOI 2021 CodeCombat Competition** is a great opportunity for you to put your code to the test directly against other international IOI candidates. Coding in Python or JavaScript, you will compete with your fellow contestants by summoning different types of troops and ordering them to compete with your opponent.

There is only one goal of the competition -
to defeat your opponent!

Cash prize
SGD 500

Cash prize
SGD 1,000

Cash prize
SGD 300

Cash prize
SGD 200

Date:

23 June 2021

4:30 pm - 11:00 pm (GMT+8)

Eligibility:

All IOI participants are eligible to participate in the competition. However, please note that some countries might not be able to participate due to access restrictions, such as North Korea, Iran, Syria, Cuba and Turkmenistan.

How to apply:

Eligible IOI participants will be automatically enrolled to the competition.

All necessary login credentials will be provided one week prior to the competition day, you may then get access to the platform and familiarise yourself with the operations.
